A major benefit of leasing is that every repayment is 100% tax deductible

Enter tax rate here

Tax saving

Cost after tax deduction

Key features

- All figures quoted are net of VAT.
- Each repayment is 100% tax allowable against taxable profits.
- The repayments are fixed for the entire term of the agreement.
- At the end of the agreement the customer has the option to either renew the contract and replace the equipment for new, or pay a 'one off' fee to gain ownership indefinitely.
- The customer is free to upgrade, make additions, or settle the agreement at any point.
- The finance agreement can cover all costs including hardware, software, training, and maintenance.
